Statewide Contracts Allowing Payments & Performance Beyond the Statewide Contract End Date

The following OSD Statewide Contracts include language allowing performance and payment time frames which exceed the Statewide Contract End Date. Term leases, rentals, maintenance or other agreements for services entered into during the duration of the Statewide Contract and whose performance and payment time frames extend beyond the duration of the Statewide Contract shall remain in effect for performance and payment purposes (limited to the time frame and services established per each written agreement). No written agreement shall extend beyond the limit specified in the Statewide Contract. No new leases, rentals, maintenance or other agreements for services may be executed after the Statewide Contract has expired.
